ABOUT ME

I am Abdul Al Mahin, an undergraduate student at Dhaka International University, pursuing a B.Sc. in Computer Science and Engineering with a deep passion for research. My primary interests revolve around intelligent systems and continual learning, particularly in designing innovative machine learning frameworks. I possess solid expertise in programming, data analytics, and machine learning, and I actively engage with the tech community through leadership roles and organizing various events.

EDUCATION

Dhaka International University 2023-Present

B.Sc in Computer Science & Engineering (3rd year, 5th semester)

- CGPA: 3.00 / 4.00

EXPERTISE

- Programming Languages: C, Python, Java
- Computer Science Fundamentals: Data Structures, Algorithms
- Database Systems: SQL, Relational & Object-Oriented Databases, Data Warehousing

LANGUAGE PROFICIENCY

- Bangla - Native
- English – Moderate (Working Proficiency)

PUBLICATIONS
